Re: 167-12551
First Administrative Amendment to
Part 70 167-7544-00004

Dear Mr. Hagerman;

Wabash Environmental Technologies, LLC (formerly known as Schering-Plough Animal Health Corporation) was issued a Part 70 Permit on June 9, 1999 for a animal pharmaceutical production facility. On July 31, 2000 a representative of Wabash Environmental Technologies met with Vigo County Air Pollution Control and requested the name be changed as a result of a transfer of the assets to them. Pursuant to the provisions of 2-7-11 the permit is hereby administratively amended as follows:

An ownership and name change only to the facility known as Schering-Plough Animal Health Corporation. The plant is owned by, and will henceforth be know as, Wabash Environmental Technologies, LLC.

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment and the following revised permit pages to the front of the original permit.

This decision is subject to the Indiana Administrative Orders and Procedures Act - IC 4-21.5-3-5. If you have any questions on this matter, please contact Mr. Rob Harmon, at (812) 462-3433, extension 14.

Sincerely,

George M. Needham
Director
Vigo County Air Pollution Control
